INTRODUCTION TO PACT

Pact is an international nonprofit that works in nearly 40 countries, building solutions for human development that are evidence-based, data-driven, and owned by the communities we serve. Founded in 1971, Pact works with partners to build resilience, improve accountability, and strengthen knowledge and skills for sustainable social impact. Since 2001, we have been working in Tanzania to help people and communities build their own capacity to generate income, improve access to quality health services, and gain lasting benefit from the sustainable use of natural resources around them to benefit future generations. For more about Pact, visit www.pactworld.org

ACHIEVE is a seven-year (2019-2026) USAID-funded global project whose primary goal is to reach and sustain HIV epidemic control among pregnant and breastfeeding women, adolescents, infants, and children. To reach this goal, ACHIEVE supports OVC and DREAMS service delivery, provides technical assistance to strengthen social welfare systems, and supports capacity development for local partners to sustain services at the community level. In 2023, USAID added global health security to the project's scope of work. ACHIEVE is implemented by Pact in partnership with Jhpiego, Palladium, No Means No Worldwide, and WI-HER. ACHIEVE's countries of implementation include Burundi, the Dominican Republic, Namibia, Nigeria, Rwanda, South Africa, South Sudan, Tanzania, and Zambia. Pact Tanzania is looking for a service provider who will be providing medical insurance services to its Pact Tanzania staff and dependents.

OBJECTIVE OF THE ASSIGNMENT

The overall objective of this assignment is to procure a service provider who will provide medical insurance services to Pact Tanzania staff and their legal dependents for the financial year 2024/25. The selected provider may be issued a 2-year contract in which the actual service continuation/renewal is subjected to the availability of donor funding.

Expected number of staff and dependents are classified below:-
Scope of Work

Specific scope of work includes but should not be limited to the following:

1. **Primary Care Services:**
   
   Access to primary care physicians (PCPs) for routine check-ups, preventive care, and treatment of common illnesses and injuries.

2. **Specialist Consultations:**
   
   Referral and coverage for consultations with specialists, such as cardiologists, dermatologists, neurologists, orthopedists, and other medical experts as needed.

3. **Inpatient Care:**
   
   Coverage for hospitalization expenses, including room and board, nursing care, surgical procedures, anesthesia, and medical supplies during an inpatient stay.

4. **Outpatient Services:**
   
   Coverage for outpatient procedures, diagnostic tests, laboratory services, imaging studies (e.g., X-rays, MRIs, CT scans), and other medical treatments performed outside of a hospital setting.

5. **Emergency Care:**
   
   Access to emergency medical services, including emergency room (ER) visits, ambulance transportation, urgent care centers, and emergency medical assistance while traveling.

6. **Maternity Care:**
   
   Coverage for prenatal care, obstetrician visits, childbirth, postnatal care, and newborn care, including hospital delivery expenses and routine newborn screenings.

7. **Prescription Drugs:**
   
   Coverage for prescription medications, including generic and brand-name drugs, maintenance medications, specialty drugs, and mail-order pharmacy services.
8. **Dental Care:**

Coverage for routine dental exams, cleanings, fillings, extractions, root canals, crowns, bridges, dentures, orthodontic treatment, and other dental procedures.

9. **Vision Care:**

Coverage for eye exams, prescription eyeglasses, contact lenses, vision correction surgery (e.g., LASIK), and treatment of eye conditions such as glaucoma or cataracts.

10. **Mental Health Services:**

Coverage for mental health counseling, therapy sessions, psychiatric evaluations, and treatment of mental health disorders, including substance abuse and addiction treatment.

11. **Wellness Programs:**

Access to wellness initiatives and programs aimed at promoting healthy behaviors, managing chronic conditions, and preventing disease through lifestyle modifications, health screenings, and education.

12. **Telemedicine Services:**

Access to telemedicine platforms for virtual consultations with healthcare providers, remote diagnosis and treatment of minor illnesses or injuries, and electronic prescriptions.

13. **Second Opinion Services:**

Access to resources for obtaining second opinions from medical experts or specialists regarding diagnosis, treatment options, and recommended courses of action for complex medical conditions.

14. **Health Education and Resources:**

Provision of educational materials, online resources, and tools to empower individuals to make informed decisions about their health, manage chronic conditions, and navigate the healthcare system effectively.

15. **Travel Assistance and Coverage:**

Assistance with travel-related medical emergencies, medical evacuation, repatriation of remains, and coordination of care while traveling abroad, including access to international provider networks.

16. **24/7 Customer Support:**
Access to customer service representatives or nurse helplines for assistance with insurance-related inquiries, claims processing, benefit coverage questions, and assistance in finding healthcare providers.

**Reporting and Working Line**

The Provider will work closely with Pact Tanzania's Human resources manager while executing the services.

**Submission Instructions**

Interested service providers must submit the following information to Pact Tanzania:

- Draft inception report detailing the methodology for providing medical services to Pact Tanzania (engagement and execution).
- Current provider profile.
- Copies of registration, certificate, and address of their registered office, valid and relevant business license for Insurance Companies, VAT, TIN certificates, valid and relevant Tax clearance certificate (business cleared should align with business license), License by the Tanzania Insurance Regulatory Authority (TIRA certificate), Valid Membership certificate from Association of Tanzania Insurers (ATI), and any industry relevant license or certificate.
- Evidence of similar assignments, and at least three (3) names and addresses of clients served, preferably NGOs.
- Reference letters from three clients with whom the insurance firm is currently managing a cover valued not less than TZS 80 million (Value Insured). The reference letter must be for the provision of medical insurance coverage. (Preferable INGO)
- Names and CVs of key technical staff e.g., Specialized doctors and the like.
- Litigation letter from lawyers, signed and stamped
- Audited financial statements of 2 recent years (Complete Set for 2 Consecutive Years), Pact shall verify the authenticity of the submitted documents at any convenient time
- Schedule of Current Charges.
- List of health facilities (Hospitals) that accept your insurance cards in Tanzania.
- List of network coverage within the country and outside the country.

**Eligibility**

- The service provider must be currently legally operating in Tanzania and the proposal must clearly express the ability of the Provider to meet or exceed the Requirements/Specifications outlined above.
- Ability to deliver the items/services.
Evaluation Criteria:

- Conformity to legal requirements to provide medical services across Tanzania.
- Conformity to technical specifications/proof of conforming to the scope of work outlined.
- List of service provision charges/costs
- Financial capability.
- Experience.

Evaluation Criteria

- Conformity to legal requirements to provide Life insurance services in Tanzania.
- Conformity to technical specifications/proof of conforming to the scope of work outlined.
- List of service provision charges/costs
- Financial capability.
- Experience.

Interested, eligible providers should deliver their Proposal/quotation to:

The Tender Committee,
Pact Tanzania,
Plot No. 1486, Msasani Peninsula (Masaki Area),
P. O. Box 6348,
Dar es Salaam, Tanzania.

Vendors who wish to answer this RFP should send their proposals in sealed envelopes to Pact Tanzania Head Office by July 04, 2024, at 11:30 am EAT.

Pact will open all bids on July 04, 2024, at 12 pm EAT in the presence of the bidder’s representatives who choose to attend. The Bidders’ representatives who are present shall sign a register evidencing their attendance.

Please Note

1. Late or incomplete bids will not be accepted.
2. The quote that complies with all the specifications/requirements and offers value for money, shall be considered for the competition.
3. Pact may cancel the solicitation and not award.
4. Pact may reject any or all responses received.
5. Issuance of requests for quotes does not constitute a contract commitment by Pact.
6. Pact reserves the right to disqualify any offer based on the offer or failure to follow the solicitation instructions.
7. Pact reserves the right to waive minor proposal deficiencies that can be corrected before award determination to promote competition.
8. Pact will be contacting all offerors to confirm the contact person and address and that the proposal was submitted for this solicitation.
9. Pact will not compensate Vendors for their response to the solicitation.
10. Pact may choose to award only part of the required items in this solicitation or to issue multiple awards for the same Lot.
Appendix 1: Detailed Information on Evaluation Criteria

Minimum Eligibility and Qualification Criteria

Eligibility and qualification will be evaluated on a Pass/Fail basis. If the Bid is submitted without one of the minimum eligibility and qualifications or/and does not meet the criteria subject marked (*) and its associated document submission instructions, the bid will be deemed as non-responsive.

Latest Audited Financial Statements for the last 2 consecutive Years.

Detailed Technical and Financial Evaluation

The technical and financial parts will be evaluated on a merit point/scores system for bids that are successful on the minimum eligibility above.

Format of Technical Bid (Weight = 100%)

All Vendors who will meet minimum requirements will be considered for sample submission. On the technical and sample evaluation, vendors who score 75% and above will be selected for the financial evaluation stage as per the sections below.

The Bidder’s Bid should be organized to follow this format of the Technical Bid. When the bidder is presented with a requirement or asked to use a specific approach, it must state its acceptance and describe how it intends to comply with the requirements. Where a descriptive response is requested, failure to provide the same will be viewed as non-responsive.

SECTION 1: Bidder’s qualification, capacity, and expertise (60%)

1.1 General organizational capability is likely to affect implementation: management structure, project management controls, and the extent to which any work would be subcontracted (if so, provide details). (40%)

Support Document Needed:

- Updated Organizational Structure including key personnel, List of health facilities (Hospitals) that accept your insurance cards in Tanzania (coverage) to support the work to be done, and Names plus CVs of key staff who will be handling the contract. (16%)
- Evidence of similar assignments, and at least three (3) names and addresses of clients served. (12%)
- Reference letters from three clients with whom the insurance firm is currently managing a cover valued not less than TZS 80 million (Value Insured). The reference letter must be for the provision of medical insurance coverage. (Preferable INGO) (12%)
2.1 A clear methodology of how the vendor will successfully deliver the required services as per TOR. (20%)

**Support Document Needed:**
- List of services to be offered as per technical specifications in the TOR. (10%)
- The vendor should submit a work plan showing how the contract will be executed within an estimated timeline. (considering mobilization, onboarding, verification, and service delivery). (10%)

**SECTION 2: Scope of Supply, Technical Specifications, and Related Services (40%)**
This section should demonstrate the Bidder's responsiveness to the specification by identifying the proposed components, addressing the requirements point by point, and demonstrating how the proposed bid meets or exceeds the requirements/specifications.

2.1 Conformity of services to be supplied if they meet technical specifications provided.

**Support Document Needed:**
- List of services to be offered as per technical specifications in the TOR. (32%)
- List of any additional services beyond what is needed (8%)

**Financial Capacity Evaluation**

Successful vendors will be evaluated on their prices and their financial capability to deliver this assignment as per the documents submitted.

Bidders must attach copies of two (2) consecutive years of current audited financial statements (balance sheets, cash flow statements, profit and loss statements including all related notes, etc.) for the years required above, complying with the following condition:
- Must reflect the financial situation of the Bidder or party to a JV, and not a sister or parent company.
- Historical financial statements must be audited by a certified public accountant, signed, and stamped.
- Historical financial statements must correspond to accounting periods already completed and audited. No statements for partial periods shall be accepted.
